

Little Fishes Pre-School – April 2021 Newsletter

Animals

Our main theme for the term is animals. This will include frogs as we are lucky enough to have some frogspawn again this year.

Plant Sale

Thank you to everyone who has donated and bought plants from our little plant sale. It's been a great success and we have raised £79 so far!

Weather Appropriate Clothing

We appreciate that the weather at the moment is not making it easy to know what to wear as it's cold in the morning but warm and sunny (fingers crossed) by the afternoon. We would recommend that despite the weather first thing, you apply sunscreen to your child each morning and pop a sunhat in their bag. We are outside a lot now and coats are still needed first thing.

As per our recent email, please DO NOT leave sunscreen in your child's bag. If your child is in all day and is unable to use an 8 or 12 hour sunscreen, then you can hand a named sunscreen to a member of staff at drop off.

Water bottles/drinks

Please can we ask that you do not leave any water bottles or drinks in your child's bag, as these could be accessed by other children. We are able to provide a drink of water at any time during the session and always with snack. If it is necessary to bring in a drink, please pass it to a member of staff at drop off.

Speaking to Key Workers

It is difficult to speak with your child's key worker at drop off or pick up currently, however please do let us know if you would like to have a conversation as this can be arranged either outside at a convenient time, or by telephone. We do not want you to feel that you cannot talk to us if you have any questions or concerns.

Contact Details

As always, please can we remind you to make sure you update us with any changes to contact details, such as a change of phone number, email or address.

School Leavers

You will now know which school your child has a place at for September 2021. Please do let us know as the schools will be in contact with us.
